Celebrating
75
Years

1948 - 2023

75 YEARS OF OPERATION

May 10th 2023 marks the 75th birthday of RTL Trades

Originally known as Reynolds Trezona and Lister (RTL) Plumbing was started by three mates, Alf Reynolds, Len Trezona & Graham Lister. They began operating from Graham's house and used payphones to communicate back to home base.

2004 saw a change in ownership with Ben L'Estrange taking over. The team was made up of just three maintenance Plumbers. Kate L'Estrange, Ben's wife joined the RTL family in 2009

Ben & Kate, with the support of their team have been able to expand to now offer Roofing, Electrical, Building & Carpentry services as well as Plumbing and in 2019 re branded the business to RTL Trades.

The RTL Team now consists of over 60 team members.
